Hi Guys,

I am a registered Republican in Boston, VP. at Fidelity Investments.
As a tax paying and informed citizen of this country, I want you to leave
Microsoft "alone". They are the hardest working individuals I ahve ever
seen. For those of you who have not dealt with Microsoft "competitor", talk
is cheap and easy.

Microsoft is the flagship of our nation, our proud and joy and hell of a
hope as we are facing tough economic conditions.

YOu can reach me anytime at 617.650.2233
